

KeyBank Commercial Cards – Key2Purchase® and Key2Business® – General Information for Cardholders

General Information: This card is being issued pursuant to an agreement between KeyBank National Association and your employer (the “Company”) for issuance of charge cards under the KeyBank Commercial Card program. Contact your Company Program Administrator for administrative assistance with the KeyBank Commercial Card program.

Billing Cycle and Statements; Liability: Billing cycles are generally one month in length. The Closing Date is that last day of billing cycle. All transactions received after the Closing Date will appear on your next monthly statement. The outstanding balance on the monthly statement (the “Balance”) must be paid in full on or before the due date shown on the monthly statement. The Company may choose to make arrangements with its employees who are to receive charge cards, for such employees to make payment directly to KeyBank for the Balance and have such employees then seek reimbursement from the Company for any such direct payments (“Individual Bill Arrangement”). Unless under an Individual Bill Arrangement, all monthly statements are to be paid directly by the Company (“Central Bill Arrangement”). Regardless as to whether under an Individual Bill Arrangement or a Central Bill Arrangement, only the Company shall have any liability to KeyBank.

Payment Crediting and Credit Balance: All payments, whether under Individual Bill or Central Bill Arrangements, must be submitted in U.S. Dollars through an electronic payment method approved by KeyBank. Electronic payments will be credited within three (3) business days from the day received. If there is a credit balance due on the account and the account has been closed, the Company may request, in writing, a refund through the Program Administrator.

Credit Limit: Please take note of your credit limit which may vary from time to time. We may refuse, at our discretion, any transaction in excess of your credit limit.

Late Payment Fee	2.5% of past due balance will be charged 15 days following the Closing Date, with a minimum charge of \$2
