

Know the Fees Key Advantage Checking®

A clear and transparent summary of common fees, when they might occur and how to avoid them.

Maintenance Service Charge

\$ 18.00 **Monthly Maintenance Service Charge**

Avoid a Maintenance Service Charge: Do one of the following during each statement period. You can find your specific statement cycle dates listed on both your paper and online statements.

- Maintain a total balance of \$10,000 or more in any combination of your accounts¹
- Have a KeyBank mortgage with automatic payment deductions of \$500 or more from your Key Advantage Checking Account each statement period
- Be a Key@Work® program member and have direct deposits that total at least \$1,000 or more in a statement period

ATM Transactions

No fee **KeyBank ATMs** and Allpoint ATMs provide access to over 40,000 surcharge-free ATMs nationwide.

\$ 1.50 **Printed Mini-Statement** when you request your account balance. This will be charged at the end of each business day and will appear as *ATM Mini-Statement Fee*.

\$ 3.00 **Non-KeyBank ATMs.** There is no KeyBank fee for your first two transactions per statement period. \$3 per transaction after that. This fee is charged at the end of the statement period and will appear on your statement as *Regional ATM Withdrawal Fee* or *Regional ATM Inquiry Fee*. There may also be a fee charged by the ATM's operator, which will be included in the total withdrawal transaction amount.

Avoid ATM Fees: Use your KeyBank Debit Mastercard® at a KeyBank or Allpoint ATM. For nearby KeyBank or Allpoint ATM locations, go to key.com/locations.

\$ 5.00 **International ATMs** per ATM withdrawal or balance inquiry outside of the U.S. This fee is charged at the end of the statement period.

Overdraft and Returned Items

Overdrafts occur when there isn't enough money available in your account, and a transaction (such as a payment or purchase you make) goes through anyway, resulting in a negative balance. **As a courtesy, we provide our clients the Key Coverage ZoneSM – as long as your end of day overdraft balance is \$20 or less, you will not be charged any KeyBank overdraft fees.** If you're overdrawn by more than \$20, you may incur two types of fees:

\$ 20.00 **Overdraft Item (OD) Charge** will apply to each item we pay when your end of day overdraft balance is greater than \$20 or beyond the Key Coverage Zone. This fee is charged per transaction (up to the daily and monthly limit). It appears on your statement as *Overdraft Item Charge*.

\$ 20.00 **Recurring Overdraft Service Charge** charged when your account remains overdrawn by more than \$20 for five consecutive business days. This fee is charged once per consecutive overdraft period. The period ends when your account regains a positive balance or is in the Key Coverage Zone. It appears on your statement as *Recurring Overdraft Service Charge*.

Overdraft and Returned Items (continued)

Returned Items: Sometimes, a transaction will be declined because it exceeds your available balance – this is considered a returned item instead of an overdraft. **We charge fees for overdrafts but not for returned items.**

Avoid Overdrafts and Fees

- **Know your balance before you spend.** Check your account balance in online or mobile banking before making a purchase or payment.
- **Set up Account Alerts in online or mobile banking.** Receive texts or emails when your balance drops below a specified amount.²
- **Get a safety net with Overdraft Protection.** Link your checking account to another KeyBank account (such as a savings account, credit card, or line of credit) and automatically transfer funds to cover any overdraft transactions.³
- **Schedule a Key Financial Wellness Review[®]** to discuss other options and make sure you are in the checking account that best suits your needs.
- **Visit key.com/odinfo** to learn more about overdrafts and how to avoid them.
