A clear and transparent summary of common fees, when they might occur and how to avoid them.

**Maintenance Service Charge**

No fee  Monthly Maintenance Service Charge

**ATM Transactions**

No fee  **KeyBank ATMs** and Allpoint ATMs provide access to over 40,000 surcharge-free ATMs nationwide.

$ 1.50  **Printed Mini-Statement** when you request your account balance. This will be charged at the end of each business day and will appear as ATM Mini-Statement Fee.

$ 3.00  **Non-KeyBank ATMs.** This fee is charged at the end of the statement cycle for each withdrawal or balance inquiry and will appear as Regional ATM Withdrawal Fee or Regional ATM Inquiry Fee on your statement. There may also be a fee charged by the ATM’s operator, which will be included in the total withdrawal transaction amount.

**Avoid ATM Fees:** Use your KeyBank Debit Mastercard® at a KeyBank or Allpoint ATM. For nearby KeyBank or Allpoint ATM locations, go to key.com/locations.

$ 5.00  **International ATMs** per ATM withdrawal or balance inquiry outside of the U.S. This fee is charged at the end of the statement period.

**Overdraft and Returned Items**

Overdrafts occur when there isn’t enough money available in your account, and a transaction (such as a payment or purchase you make) goes through anyway, resulting in a negative balance. **As a courtesy, we provide our clients the Key Coverage Zone™ – as long as your end of day overdraft balance is $20 or less, you will not be charged any KeyBank overdraft fees.** If you’re overdrawn by more than $20, you may incur two types of fees:

$ 20.00  **Overdraft Item (OD) Charge** will apply to each item we pay when your end of day overdraft balance is greater than $20 or beyond the Key Coverage Zone. This fee is charged per transaction (up to the daily and monthly limit). It appears on your statement as Overdraft Item Charge.

$ 20.00  **Recurring Overdraft Service Charge** charged when your account remains overdrawn by more than $20 for five consecutive business days. This fee is charged once per consecutive overdraft period. The period ends when your account regains a positive balance or is in the Key Coverage Zone. It appears on your statement as Recurring Overdraft Service Charge.

**Returned Items:** Sometimes, a transaction will be declined because it exceeds your available balance – this is considered a returned item instead of an overdraft. **We charge fees for overdrafts but not for returned items.**
