How to text message your KeyBank account

Send the following text messages to **MYKEY (69539)** to receive account information direct to your mobile phone.

BAL: balances for all accounts signed up for Mobile Text Messaging

BAL + Mobile Account Nickname (eg: BAL chk1): balance for that account

HIST + Mobile Account Nickname (e.g. HIST chk1): last 4 transactions for that account

MORE: use immediately after a HIST command to receive the next 4 transactions

HELP: if you forget how to use Mobile Text Messaging

STOP: to unenroll your device's activation in Mobile Alerts & Text Messaging.
