

KeyBank **Plus** Achiever

C o n g r a t u l a t i o n s

Name:

Cheryl J. Bobo

Financial goals achieved:

I cleaned up my credit, reduced my debt, and purchased a home.

How I did it:

I reviewed my credit reports, responded to discrepancies, identified bills to pay off and figured out which order to pay them in. Having the guidance of my one-on-one coach (in terms of information sharing and holding me accountable for working through the process), I was able to reach my goals.

Quote:

“Keep the change, don’t get into debt, and plan purchases. Maintain the change to financial freedom.”
