

Safe Deposit Boxes

The secure way to store your valuables.

Key can take care of your valuables. Important papers, your baby's birth certificate, even your grandmother's locket. These are some things that you can't afford to lose, or have stolen or destroyed by in a fire. For peace of mind, choose a safe deposit box from Key.

Get protection from fire and theft.

Vaults at Key offer you a degree of safety and protection you simply can't match in your home. And with your safe deposit key, your valuables are easily accessible at your convenience in facilities that ensure your complete privacy.

Take your choice of box size.

Key has a safe deposit box to meet your needs—whether you only need a small box for financial papers, or want a larger box to safeguard silver or art objects.

Personal records:

Use this form to keep track of the contents of your safe deposit box.
